

In pursuance of said order the committee on internal improvements respectfully solicits the above information.

Respectfully,  
your obd't serv't.

JNO. THOMSON MASON,

G. G. BREWER, Esq.

Chairman.

*Annapolis, 6th January, 1840.*

Dear Sir:—In reply to your note of this morning, which has just been handed me, I have to state, that the only report which was made and the copy placed in the hands of the clerk under the order referred to in your note of this morning, will be found printed in the Documents of last session, marked (Document U.) It was a report (in part.) Col. Wootten the chairman, it was understood was preparing further reports and adverted to them, perhaps read some part of them in debate, but they were never handed to the clerk, nor as he believes, were they completed in form to report during the session; certain it is, that I never seen the copy, nor do I know whether it has ever been completed.

It would be gratifying to the feelings of the late clerk of your honorable body, if you would allow this statement on the subject, to be placed upon your journals, to save him from the possibility of unjust imputation.

I have the honor to be,

with much respect,

your obd't servant,

GEORGE G. BREWER,

Late cl'k. House Del. Md.
